

August 23-29, 2021

Circling Raven Golf Club – Worley, ID

Volunteer Committee Descriptions

The following are brief descriptions of the volunteer committees available for the 2020 Circling Raven Championship. Specific openings are not guaranteed, but the tournament will make every effort to accommodate your preferences. Please take a moment to review the following requirements before making your final committee selection.

Cart Scorer: Cart scorers follow a group of players in a cart for the entire round as an unofficial scorekeeper. During the round, they keep unofficial scores for each player in their group, and, after every hole, cart scorers send scores to Real-time Scoring via a two-way radio provided by the Tour. Volunteers needed FRIDAY, SATURDAY, & SUNDAY.

Driving Range: Driving Range committee members are mainly responsible for registering caddies and distributing caddie bibs before start of tournament play. May be asked to assist in setup of driving range (range ball distribution). Volunteers needed FRIDAY, SATURDAY, & SUNDAY.

Ecology: Ecology volunteers are responsible for re-stocking coolers, maintaining receptacles, and preserving the cleanliness of the golf course. Volunteers needed MONDAY, TUESDAY, WEDNESDAY, THURSDAY, FRIDAY, SATURDAY & SUNDAY.

Guest Starter: The Guest Starter announces players on the 1st or 10th tee, dispenses scorecards, and gives last minute information to players. Volunteers needed FRIDAY, SATURDAY, & SUNDAY.

Leaderboards/Track Board: Track Board volunteers receive scores via an iPad (a small wireless device) and verified scorecards from the Tour staff and post those scores on the Track Board. Leaderboard volunteers receive scores via an iPad and continually update the Main or On-Course Leaderboards with the information provided by the iPad. Volunteers needed FRIDAY, SATURDAY, & SUNDAY.

Main Gate: Main Gate volunteers are stationed at the Tournament Tickets tent and assist with ticket distribution and greet spectators as they arrive at the tournament. Volunteers needed FRIDAY, SATURDAY, & SUNDAY.

Marshal/Spotter: Marshals assist with minimizing the potential distractions caused by fans attending the tournament. They also direct cart traffic in heavily congested areas or on blind approaches to a tee, fairway or green. Spotters act as “forecaddies” or “advance scouts” by assisting the professionals in locating wayward golf shots. Stationed near a fairway or a green, spotters watch each shot and help locate a ball in situations where the player may not have a clear view of the ball’s final resting position. Volunteers needed FRIDAY, SATURDAY, & SUNDAY.

Player Shuttles: Player Shuttle Drivers are responsible for driving players in a golf cart from green to tee at strategic locations on the golf course where there are long walks between holes, as determined by the Tour. Volunteers needed FRIDAY, SATURDAY, & SUNDAY.

Real-Time Scoring: The Real-time Scoring Computer Operator enters the scores and statistics that have been recorded by the Radio Operator (described below). The data collected is entered in a laptop computer. This position requires dexterity and basic computer knowledge. The Real-time Scoring Radio Operator answers radio calls from the Cart Scorers who are following each group on the course. The Cart Scorer provides the scores for each player after every hole to the Radio Operator. The Radio Operator records this information on a form provided by the Tour. This information is then entered into a computer by the Computer Operator (described above). The data is then automatically uploaded to the Internet. Volunteers needed FRIDAY, SATURDAY, & SUNDAY.

Scoring Tent: Scoring Tent volunteers verify each scorecard in the Scoring Tent after the player has completed their round. Volunteers needed FRIDAY, SATURDAY, & SUNDAY.

Special Events/Pro-Am: Special Event volunteers assist the tournament committee with the management of the various events held prior to tournament play. Events include the Pairings Party, Pro-Am, and Junior Clinic. Volunteers needed WEDNESDAY, & THURSDAY.

Standard Bearer: Standard Bearers walk the course and carry a standard-bearer sign which includes the names and scores of the players in a specific group. They confirm each player’s score with the Cart Scorer and update scores on the sign as play progresses for the entire round of 18 holes. Shifts last as long as it takes to complete the round of golf. Standard Bearers work in two-person teams with one person at a time carrying the standard (standards weigh approx. 10-15 pounds). Volunteers needed SUNDAY ONLY.

Volunteer Services: These volunteers greet and register other volunteers, provide general information, and assist with shuttling volunteers to/from their assigned area. Volunteers needed FRIDAY, SATURDAY, & SUNDAY.
